

Arabian Horse Association of Indiana

2012 High Point Program

AHA of Indiana is initiating a high point program to recognize members who get out and show their Arabian and Arabian crosses at events enabling the public to see what Arabians can do, and encourage friendly competition within our club.

To be eligible, you must meet the following criteria:

- Be a member of AHA of Indiana (you don't need to be a voting member; ie member of Arabian Horse Association). * For the horse divisions, it does not matter who the handler/rider is, as long as the owner is a current member of AHA of Indiana.
- Earn a minimum of 35 points in the division(s) in which you nominated. Each division requires a 35 point minimum. Ride or show an Arabian or Half Arabian horse for your points to count in this program.
- Pay the nomination fee of \$10.00 for each division entered.
- Submit all points to the High Point Secretary within 30 days of the show on the form supplied. Points can be mailed or emailed. Points emailed will get a confirmation of receipt. **Points not submitted within 30 days WILL NOT COUNT.** Point reporting is the Exhibitor's responsibility.

The program will be run as follows:

- January 1st to October 31st of the year, with all points being due by November 10th.
- If entries warrant, we can split classes further in future years.
- To receive points, you must be placed in the class. See attached point chart for specific numbers. It does not matter how many are in the class. The points are the same whether you win a 1 horse class or a 10 horse class. See attached point charts.
- Donations are always appreciated, and all money from entries in the program will be used for that year's prizes.
- Everyone getting the minimum number of points will get something.
- High point standing will be listed on the AHA website and updated on a regular basis.
